

SPORTS AND ACTIVITIES PARTICIPATION FORM
Freshmen/Transfer

The Roncalli Catholic High School administration adopted a new participation policy (2008-2009 school year) for freshmen and transfers. All freshmen and transfers **MUST** be involved in a sport or an activity. This policy was created to help students socialize, help freshmen and transfers feel a part of Roncalli Catholic High School, and help our extra-curricular programs become more successful. We want every student to have the opportunity to experience a balanced school program. We **do not** encourage students to specialize in one activity or sport. We want our students to be well-rounded citizens/students. Below is a list of fall activities and sports available to freshmen and transfers. Please indicate with a check mark the sport or activities for which you are interested. The coach or moderator of that group will send additional information.
