Eighth Graders: Take the Test for your Future

**Catholic High School
Scholarship &
Placement Test,
January 13th.**

Become part of the great tradition of Catholic education. By enrolling in a Catholic high school, you'll be assured of a quality education designed especially for your goals in life, and you'll learn in an atmosphere based on Catholic principles and values for living.

All nine of the area Catholic high schools will administer their Scholarship and Placement Tests to current eighth-graders Saturday, January 13th. The tests are used in the admissions process and to determine scholarship winners.

Students are asked to take the test at the high school they prefer to attend. Same-day testing gives students an equal chance to earn a scholarship to the school of their choice. To be considered for a high school's scholarship, a student must take the test on Saturday morning, January 13th, at that high school.

If you have any questions regarding this or any other admissions questions, please feel free to contact Paulette at Roncalli Catholic High School, 402.571.7670.
