

An Archdiocesan Co-ed Catholic High School in the Traditions of the Notre Dame Sisters and the Christian Brothers

June 10, 2011

Dear Roncalli Supporter:

In academics, in athletics and in the community, Roncalli Catholic continues to excel! Over the last year, our students have earned top ACT scores, including a perfect score of 36; we won state championship medals in track and field; and, collectively, our students performed 8,392 hours of community service.

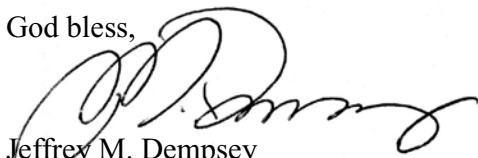

Our recently completed capital campaign has led to impressive facility improvements. Last fall several classrooms, a set of restrooms and our auditorium were renovated. Work is underway to create a multi-purpose Activity Center and athletic training facility in the interior of the school. By July, our parking lot will have been completely renovated. The installation of our new track has also begun and progress will continue throughout the summer. In addition, tuition assistance dollars, a major goal of our campaign, help make Catholic education possible for all who wish to attend Roncalli Catholic.

Your support of Roncalli Catholic, through our Annual Fund effort, will allow us to build on these improvements and to provide the operational and maintenance support these facilities deserve. Contributions to the Annual Fund will also support important funding for academic and need-based student scholarships.

Please join me in making a gift to our Annual Fund effort – in whatever amount you are able. Your support is very much appreciated and will be used to build an even stronger Roncalli Catholic.

Enclosed please find a pledge card and return envelope, for your convenience. You may also make your gift online through our secure website, www.RoncalliCatholic.org. If you would like additional information regarding our Annual Fund appeal, or Roncalli Catholic generally, please feel free to contact me directly at 402/571-7670.

God bless,

Jeffrey M. Dempsey
President
