## WISDOM. COURAGE. FAITH.

Roncalli Catholic will help you be the best you can be. From your first day with us to graduation, your success in high school requires focus, a willingness to push yourself, and support from those around you.

Our student to teacher ratio of 15:1 allows our faculty to provide the learning environment and necessary resources for you to succeed. Each of them will encourage you to achieve more than you think you can.

### **DID YOU KNOW?**

*Roncalli Catholic offers rigorous college preparatory courses as well as a challenging and results-oriented ACT prep course. As a matter of fact, we achieved back-to-back perfect 36 ACT scores by two different students – one in 2010 and another in 2011.*

### **Set up a School Visit or Student Shadow**

We'd like to show you around and introduce you to students who can tell you more about high school life at Roncalli Catholic. To set up a visit, please contact Paulette Theisen, Director of Admissions and Recruitment at (402) 571-7670, ext. 103, or email: [ptheisen@roncallicatholic.org](mailto:ptheisen@roncallicatholic.org).
